Drive Forward. February 21 & 22

The advertisement features a collage of images. On the left, a smartphone displays a thermal image of two people. To its right, a landscape photo shows a cornfield under a cloudy sky. Further right, a thermal image of a large, curved structure (possibly a harvester) is shown with a temperature reading of -83.7°F. Below that, another thermal image shows a close-up of a mechanical part with a temperature reading of 64.5°F. The Vita Plus logo is in the bottom left, and the event information is at the bottom.

How much data do I need?

- **Light data use – 1GB/Device**
 - More time calling and texting and use Wi-Fi to stream or use Apps
- **Medium use – 2GB/Device**
 - Little bit of everything and moderately use Wi-Fi
- **Heavy Data – 4GB/Device**
 - Almost no Wi-Fi

The slide has a background image of a cornfield on the left. The text is centered on the right. The Vita Plus logo is in the bottom left, and the event information is at the bottom.

How should I pay?

- **Pay it all up front**
 - Lower monthly payment
 - Good option for less expensive device
- **Pay for it over time**
 - Price of device divided over 24 months
 - Good option for expensive device
- **Lease it**
 - Good deal for those who want the latest and greatest
